IN THE PATIENT ASSISTANCE PROGRAM**

Sanofi-aventis offers a Patient Assistance Program to help qualified patients receive their medicines. I understand that sanofi-aventis needs certain information about me to see if I qualify under the Program for assistance in receiving its product. I request and authorize my doctor, _____ (“Doctor”), and my health insurance company, _____ (“Insurer”), to give sanofi-aventis, including representatives or agents who work on behalf of sanofi-aventis in this Program, information about my health-care treatment and insurance coverage. The type of information that may be given to sanofi-aventis includes information that identifies me, such as my name, address, social security number, financial information, diagnoses, prior treatments, and information about my health plan benefits.

I know that I need to sign this authorization to take part in this Patient Assistance Program. If I do not sign this authorization, my decision will not affect my ability to obtain treatment or to seek payment for treatment. I also know that I can cancel this authorization at any time by writing to my Doctor or sanofi-aventis. Doctor’s mailing address is: _____.
If I cancel this authorization, then Doctor and Insurer will stop providing sanofi-aventis with information about me. However, I cannot cancel actions that they have already taken by relying on my authorization.

I understand that once Doctor and Insurer give sanofi-aventis information about me based on this authorization, federal privacy laws may not prevent sanofi-aventis from further disclosing my information. However, sanofi-aventis has agreed that it will only use information about me to determine my eligibility for this program, to administer the program, and to account for my withdrawal if I decide to stop participating in this program. I also understand that signing this authorization does not guarantee that I will be able to get the product from sanofi-aventis at reduced or at no cost. This authorization is good for as long as I participate in the sanofi-aventis Patient Assistance Program.

A copy of this signed form will be returned to me for my records.
