## Genentech BioOncology Access Solutions is a free program for you from Genentech.

We work to help you pay for your Genentech product. We can help in many different ways. We assist people who have a health care plan as well as those who don't.

If you don't have a health care plan, or your plan won't pay for your Genentech products, we might be able to help. If you meet certain financial and medical standards, we can supply free medicine. This is done through the Genentech® Access to Care Foundation (GATCF).

For us to help, we need to look at, use and disclose your personal health information (PHI). Your doctor and health care plan may disclose your PHI to us only with your written consent. Once you sign this form and it is sent back to us, we can start to provide these services. We can provide you with a copy of this release. You need to ask us for this first before we can send the copy back to you.

**You do not have to agree to this authorization.** But we cannot provide our services without your consent. This means you might need to pay for certain medicines on your own.

**PLEASE READ THROUGH THIS FORM CAREFULLY. IF YOU HAVE ANY QUESTIONS, TALK TO YOUR DOCTOR'S OFFICE OR CALL US AT THE PHONE NUMBER LISTED AT THE TOP OF THIS PAGE.**

### 1. Information to Be Disclosed or Used

This signed form lets my doctors and health care plans send my PHI to Genentech BioOncology Access Solutions and/or GATCF. This includes:

- All my health records relating to my treatment
- Information about my health care plan benefits
- The dollar balance left on the total of the lifetime payments covered by my health care plan policy (if this applies to my plan)
- Any information having a bearing on my health or my adherence to my treatment

All of the above is considered part of my PHI. I know this could include information about:

- Sexually transmitted diseases
- Mental health conditions
- Genetic test results

We are not looking for this information. It might be part of the medical record sent to us.

### 2. Who May Disclose My PHI

### 5. Expiration Date

This release is in effect for 1 year once I have signed it. I may also withdraw it in writing at any time.

### 6. Notices

Once I sign this form, I know my PHI might not be covered by any federal law about the use of my PHI or how it is disclosed. There is no guarantee my PHI might not be released to a third party. This third party might not need to follow the conditions of this release.

I know I can refuse to sign this form. I may withdraw it at any time and for any reason. This won't affect the start or continuing of my treatment. It will have no effect on the quality of my treatment.

I know this release stays in effect for 1 year or until I withdraw it in writing. To withdraw it, I must send a written notice to Genentech. It can be sent by fax or by mail to the address at the bottom of this page. This withdrawal goes into effect once it is received by Genentech. It will have no impact on my treatment by my doctor.

If I don't sign this form or withdraw it, I may be responsible for the costs of my treatment.

### 7. Distribution Acceptance

If I receive free product from GATCF, I will use Genentech products as my doctor has prescribed them to me. I will not sell or distribute Genentech products. I understand it is unlawful to do this.
