North Carolina Oncology Management Society

Winter Agenda Continued, Page Three

11:00 am - Noon

CEO For a Day

Adam Taliaferro, Esq., *Strategic Alliance Lead, U.S. Policy & Government Affairs*

This interactive exercise will give you a first-person perspective on being CEO of a startup biopharmaceutical company, including making decisions for research and development and pricing a new innovative medicine for the market. Participants will have the opportunity to learn about the various complex factors, key considerations and trade-offs involved when making these important decisions, and throughout the exercise you will have to vote on key decisions for your company. You will have the opportunity to discuss these decisions with fellow participants for a deeper understanding of the complexity of the biopharmaceutical business and bringing innovative medicines to patients.

Noon

NCOMS MEMBERS *only* – LUNCH and Time to Network

Grand Prize Give-A-Way & Door Prize Drawings

You must be present to win!

12:30 pm

Adjourn ~ Drive Safely
